

Membership Proposal

DITO Inc. is a community development corporation commissioned to revitalizing communities into safer, cleaner and progressive neighborhoods for its residents. We work to decrease neighborhood pressures which lessen unity and induce community decline. In order to sustain the neighborhood in a holistic way, we need your help. Our mission to revitalize neighborhoods one person at a time requires helping hands from everyone. No activity is too small. Please help our cause to enrich communities by becoming a DITO Inc. “Hot Spot”.

A DITO Inc. “Hot Spot” is an organization that is committed to partnering with DITO Inc. to service their community. This organization believes in DITO’s mission to better impoverished neighborhoods and is invested to making influential change. Organizations that become “Hot Spots” not only single handedly take part in transforming their community but resourcefully benefit themselves in the process.

Benefits to becoming a DITO Inc. “Hot Spot” include:

- Positively impacting your community towards becoming cleaner and safer.
- Expanding your network within the community and to other surrounding organizations.
- Branding your organizations services and mission to the community.
- Builds unity and cohesion between your organization and the community.
- Expands your reach of service within your community.

Becoming a DITO Inc. “Hot Spot” has minimal requirement with many benefits. You must be within a mile of the targeted service zone (contact us for more details). Attend two monthly meetings, actively participate in neighborhood events, maintain community involvement (see Community Ambassadors), and house your own monthly summit. DITO Inc. promises to facilitate, provide resources and organize your community the rest of the way. All we need is your commitment! Sign up today by emailing us at info@ditoinc.org or calling us directly at 267-225-4758 or 267-225-4659. We can schedule an appointment for further details. Thank You and DITO Inc. looks forward to meeting you.
